Neuro-Symbolic AI in 2024: A Systematic Review

Authors:

Brandon Colelough, William Regli

April 8, 2025

This paper, *Neuro Symbolic AI in 2024: A Systematic Review*, is submitted to fulfill the Master of Science "Masters Along the Way" scholarly paper requirement by Brandon Colelough.

This work was accepted and presented at the *Logical Foundations of Neuro-Symbolic AI 2024* workshop, co-located with the *33rd International Joint Conference on Artificial Intelligence (IJCAI 2024)*, held on Jeju Island, South Korea, on August 5, 2024. The paper was also published in the *CEUR Workshop Proceedings*, ISSN 1613-0073, Vol-3819, urn:nbn:de:0074-3819-1. The proceedings are available online at: <https://ceur-ws.org/Vol-3819/>.
